

Have You Gotten Your Flu Shot?

You've heard a lot about H1N1 in the news, but did you know that every year in the United States an average of 5-20% of the population gets the seasonal flu? Here at UC San Diego, that can mean up to 5,000 students—not to mention about 3,000 faculty and staff. That's a lot of virus floating around!

Student Health Services are offering flu shots beginning in mid-November. More info at: <http://studenthealth.ucsd.edu> or www.findaflushot.com

We need students to photograph for our upcoming publications. Yup...real students, real situations (none of that fake stuff here). Contact our fabulous photographer, Betsy at bmccue@ucsd.edu.

Holiday Cleaning

Avoid the clutter and stink of old food and dishes in your room! Drop them at Toby's Spot, the large rolling carts with the brightly-colored signage located throughout your neighborhood. The dishes and trays are picked up daily.

Toby's Spot is now located at all residential college locations. Contact your Dining Restaurant manager with questions or for more information.
